Produced and Directed By
ROBERT M. HUBBARD

Symphony On Ice 1964

Robert M. Hubbard, Director and Producer of "Symphony on Ice" with his imagination, experience, and drive has combined all of these things in an effort to bring to you an amateur show of professional caliber.

Bob's own skating career started fourteen years ago, here at Iceland. During the first few years in amateur skating he captured such titles as: California State Champion in singles and pairs, carrying his first place honors on into Pacific Coast Championships. These titles were only accomplished through many, many hard hours of practice, most of which were skated here at Iceland. Bob continued on in competitive skating to capture a U.S. title and was awarded the "Jean-Pierre Brunet" Memorial Trophy in 1956. One of his proudest possessions is a "resolution of recognition" for achievement in the field of athletics, presented him by the Mayor and City Council of Sacramento. This award at that time had been presented to only one other individual in the field of sports. It was indeed a rare honor. After amateur skating for years, he then did a tour as a featured skater in Europe with the world famous "Holiday On Ice." Bob is now in his seventh year of instructing and has a fine up-and-coming group of young skaters, most of whom you will see tonight.

Back Stage Manager:
Lela Silvey.

CAPITAL CITY FIGURE SKATING CLUB

The Capital City Figure Skating Club is the local affiliate of the United States Figure Skating Association. Membership is open to interested persons of all ages. Dues are nominal. Right now there are approximately 150 members.

Throughout the skating year the club conducts a series of skating sessions for its members of various ages. A complete professional staff is engaged by the club to provide group instructions for beginners and other younger members. A large part of the work is carried out by volunteer senior members of the club.

Being the local affiliate of the U.S.F.S.A., membership in the Capital City Figure Skating Club automatically registers the member with the parent organization. This entitles the member to take tests (figure or dance or both), participate in competitions, carnivals, ice show, etc., as sanctioned events.

For advertising in future show programs contact Secretary of Capital City Figure Skating Club by calling 925-3121.
